“In October 2007 my mother and I stayed at the old Hospitality House next door for approximately 6 weeks. I remember my mom saying how grateful she was for the ‘home away from home’. My mom and I felt so much kindness and generosity from the staff and guests I had to say THANK YOU!!! Like most of the guests, we were from out of town. We drove up from Summerville, SC after my father became critically ill on a plane trip home. Unfortunately my mother fell critically ill after 6 weeks of diligently staying by her husband’s bedside. Only 1 day after making the decision to let our father/her husband “go”, my mother slipped into an irreversible coma. With great sadness on December 4, 2007, their beds side by side in ICU, we placed their hands together and with a heavy heart, we let them go together. On the one year anniversary of their death we wanted to say thank you and we appreciate all the kindness the Hospitality House showed our family in our time of need. We are so thankful because without your house our parents wouldn’t have been able to spend their last precious weeks together.” - Angie B., Terri B. Betty & Fred V.

“When we were down at our lowest feeling bad and wanting to be near our Dad the Hospitality House came to our rescue and helped give us comfort. It was good to have a warm place, friendly caring staff to talk to while we refreshed from the tiring day. Thank you for the food, comfortable beds and shower. May God bless you.” - Darrell and Cathy S.
