[2020 Impact Report](#)

[About Us](#)

[Our History](#)

"To begin with, I stayed at a motel downtown and I just did not feel safe or secure there. Then, they told me that there was a place at Hospitality House, and I knew nothing about it, but as soon as I got here, there was peace. I now call this place my home away from home because I feel so safe and comfortable. It is a miracle; I love this place." -Peggy, previous guest.
